# RELEASE NOTE

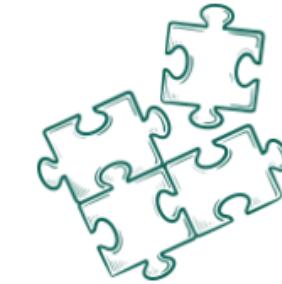

The screenshot shows the IPassan software interface. The top navigation bar includes the logo, version (v02.00.01-rc.1), a search bar, and user information (Merlet Pierre, profile icon, help icon, and a UK flag icon). The left sidebar contains various navigation icons and labels: Home, Create a new site, Rebuild a site, Multi-site pass(es), Software operator, Site wizard, Equipment & Settings, Users & Access Profiles, Monitoring, and Tools. Below the sidebar are three large, rounded rectangular buttons labeled 'Add a user', 'Events', and 'Network status', each with a corresponding icon. The main content area is titled 'Site' and shows 'PM1' selected in a dropdown menu. To the right of the dropdown is a 'Search' icon. At the top right of the main area is a 'Edit bookmarks' button. The right side of the interface features a detailed sidebar for 'PM1' under the 'Information' and 'Site statistics' sections. The 'Information' section includes a 'Site updated' status and a 'Réseau 0001 : Disconnected' alert. The 'Site statistics' section provides a summary of network components: Network(s) : 1, Controller(s) : 1, Door(s) : 4, Credential(s) : 0, Prog. credential(s) : 0, and Multi-site pass(es) : 0.

The screenshot shows the IPassan software interface. The left sidebar has a 'Equipment & Settings' tab selected, showing options like 'Companies', 'Networks', 'Controllers', 'Doors', 'Readers', 'Expanders', and 'Time profiles'. The main area is titled 'PM1' and contains fields for 'Name' (PM1), 'Address', 'Post code', 'Country' (France), 'Manager' (Merlet Pierre), 'Phone', and 'Transfer mode'. Below this are sections for 'Features', 'Time zone', and 'Enable / disable the credential types (prox, fingerprint, etc.)'. Under 'Enable / disable the credential types', there are checkboxes for various credential types: FDI DESFire® card, MIFARE Classic® FDI keyfob, MIFARE Classic® FDI remote control - 4 buttons, MIFARE Classic® FDI remote control - 2 buttons, MIFARE Plus® FDI keyfob, MIFARE Plus® FDI remote control, and Access code. At the bottom are buttons for 'Delete', 'Add a network', 'Add a company', 'Cancel', and 'Save'. The top right shows a search bar and user information for Merlet Pierre. A vertical sidebar on the right shows 'Information' (Site updated, Réseau 0001: Disconnected) and 'Site statistics' (Network(s): 1, Controller(s): 1, Door(s): 4, Credential(s): 0, Prog. credential(s): 0, Multi-site pass(es): 0).

Enhancements	Description
Menu & site statistics display	You now have the possibility to hide/show the menu & the site statistics.
Logged home page customization	You can now configure all the bookmarks you want to display on your home page once connected.
Bookmark quick access	You can now find the first 3 bookmarks of your home page on each screen at the bottom of the menu.
